**PMA ONE & PROUD**

We stand tall, we stand strong  
PMA is where we belong  
We stand together, we are one  
One bond, One voice, One song

Driven by love, compassion and faith  
We serve our people, we serve our state  
We heed God's call to heal and restore  
Weakened hearts, bodies torn and sore.

We are one, and we stand proud  
Come one, come all, be loud!  
We are one PMA, together we are one  
We hear your call and together we will come.

To PMA we offer our strength  
For PMA we give our hearts  
We're one PMA, we're proud PMA  
Healers, doctors, we work together as one.
