

**POGS RESEARCH DEVELOPMENT PROGRAM
CRITERIA FOR GRANT/SUBSIDY**

1. The grant/ subsidy is applicable to POGS members, Fellows and Diplomates only.
2. It must be a valid research work
3. The topic/s should be on general obstetrics and gynecology.
4. A Technical and Ethical Review Board should have approved the research paper. Certificates to this effect along with valid GCP Certificates of investigators must be submitted along with the manuscript.
5. The project must include statistical design and budget requirement.
6. The minimum initial funding shall be worth P50,000 (50% upon submission and approval of the research and 50% upon completion and submission), subject to evaluation. If the project is worthwhile, funding may be increased at the discretion of the Board of Trustees and subject to availability of funds.
7. There should be a legal contract between parties, POGS and the researchers/s, to include time table, accounting of funds, audited financial report, and all other pertinent provision necessary in the conduct of the research.
8. The paper should be published in the Philippine Journal of OB-GYN, but if the author wishes to publish the paper in international journal, letter of notice and acknowledgement in the paper/s should be given to POGS.
9. There is no limit to the number of grants applied for.
10. There should be no conflict of interest if there is co-sponsor. (co-sponsor should not be a pharmaceutical company)
11. Deadline of submission of application is on June 30, 2022.
