Scientific Work Abstracts

**GUIDELINES FOR ABSTRACT SUBMISSION**

The Subcommittee on Scientific Work Abstracts is inviting all medical professionals to submit interesting case and research paper abstracts for the **POGS 2024 Annual Convention and 78<sup>th</sup> Anniversary Celebration** which will be held on **November 12-15, 2024**.

Abstract submission is open to all consultants, residents- and fellows-in-training from POGS-accredited institutions. Finalists (non-winners) of the POGS Midyear Research and Interesting Case Contests may submit their abstract if their paper has not been published yet. The residents and fellows should also submit a letter of certification from their respective training institution. There is no limit to the number of abstracts an author may submit.

All submitted abstracts:

1. must be an original work.
2. should not be more than five years from completion.
3. should not have been previously published.
4. must be in the final form.
5. must follow the prescribed format and specifications (please see format below).
6. should not include the name of institution of the author within the text, tables, or figures.
7. content cannot be modified or corrected in any way after final submission.
8. once accepted, the 40 abstracts, should be prepared for poster display and presentation and these will also be published in the book of abstracts.

**NOTE:** Submission acknowledges the author's acceptance for the abstract, after passing the screening process, to be published in the Book of Abstracts. The abstract will be published exactly as submitted.

**POSTER DISPLAY AND PRESENTATION**

– will include 40 abstracts screened and accepted by the members of the Subcommittee on Scientific Work Abstracts, subdivided into 10 per category:

**A. Interesting case:**

1. Obstetrics
2. Gynecology

**B. Research:**

1. Obstetrics
2. Gynecology

- For each category there will be **TOP 3 POSTER PRESENTATIONS** that will be awarded as first, second and third place.
